

**FEATURES**

**Eliminate Manual Efforts**

Using Sage MAS 90 and 200 eFiling and Reporting, you'll no longer have to order, stock, and keep track of printed forms. Better yet, you won't have to worry about finding, loading, and aligning those forms when you need to print. Simply choose the form you need from the drop down list.

**Automatically Complete Forms**

Choose the form, and any of your federal and state forms, including Unemployment, Withholding, and New Hire reports, will automatically be filled in using the data from your Sage MAS 90 or 200 Payroll and Accounts Payable modules. No more struggling over worksheets, triple-checking calculations, or whiteout!

**eFile Forms and Payments**

Choose the level of eFiling services you want to use for your W2s and 1099s. We offer two types—Basic and Complete. Both will save you time on requesting, stocking, and finding the forms you need. Basic service provides you with the ability to send state or federal reports through eFile in minutes. Complete service files your federal and state electronically, and also prints, stuffs, and mails your employee copy; plus, a plain-paper copy will be provided for your records.
